REFERENCES

Author A. A. (2000). *Title of book*. City: Publisher.

Author B. B. and Author C. (2001). *Title of book: Subtitle of book* (edition). City: Publisher.

Author D. (2002). Title of journal article. *Title of journal, volume number*, page range.

Author E. E. and Author F. F. (2003). Title of journal article: Subtitle of journal article. *Title of journal, volume number*, page range.

Author G., Author H. H., and Author I. (2004). Title of chapter. In E. E. Editor (ed.), *Title of book* (page range). City: Publisher.

Author J. J. and Author K. (2005). Title of chapter: Subtitle of chapter. In F. Editor, G. G. Editor, and H. Editor (eds.), *Title of book: Subtitle of book* (edition, page range). City: Publisher.

APPENDICES

All the materials you used (e.g. participant information sheet, instructions to participants, examples of stimulus materials and anonymized data, interview schedules, questionnaires, etc.) should be labeled in the order in which they were referred to in the main body of the report: Appendix A, B, C, and so on, in the case of dissertations and theses, or as clearly labeled supplementary files available for download if you are submitting a manuscript to an institutional digital repository or to a journal.
